Why Child Care?

If you have an interest in a child's early development and enjoy mixing with a mixture of parents and children then child care is for you.

The child care industry has experienced consistent growth over recent years due to both parents working and many more young families now having more disposable income. This has in turn created a large supply of child care centres nationally that now require qualified staff.

Currently there is a national skills shortage for skilled childcare employees as the job vacancies advertised for this position are published regularly.

What will be my salary?

Frequently Asked Questions

What about my Blue Card and Industry Training?

Provided you have access to our College based at Merrimac on the Gold Coast, we will organise your Blue Card and Vocational Field placement at Smarter Kids Kindergartens and Preschools. If you are outside this area, you will provide you with a Vocational Field Training Hand Book to complete by a nominated child care centre of your choice. This book is then returned to the College at the end of your studies and contributes towards your final qualification. Blue Card forms can also be sent to your place of residence and signed by a Justice of the Peace. These are all included in your course application fee.

How hard are the courses?

The courses are not difficult and experienced trainers are there too support you with your studies. The courses are based nationally endorsed training packages that set standards inline with industry standards. The training packages describe the skills and knowledge that individuals need to perform effectively in the workplace. It is the trainers' task to deliver these packages in an easy to understand format. This is achieved by class room activities, field placements and assessments and a supporting group environment.

Are there other students like me so I will feel comfortable?

Many students have come from similar backgrounds to pursue a career in child care. Many students are current secondary school student or have recently left. While those in the child care industry are studying to receiving higher career positions through additional qualifications.

Will my training prepare me for a real job?

The Certificate III and Diploma courses require that students perform training in the child care work place environment. The Certificate III requires 160 hours while the Diploma requires a total of 200 hours of workplace training and assessment. The field placement is part of the course and must be competently completed. Students are trained to a standard that is required by current industry standards and is reviewed regularly.

Am I eligible?

Prior to enrolment consider contacting the student support officer to discuss your personal preferences for training outcomes. Your call will assist us in matching your preferences to entry and exit points in a qualification in line with your career objectives.

What are the advantages of classroom/ childcare centre training?

1. Industry experts deliver face to face
2. Industry experienced and qualified teacher support
3. Practical experience received under direction of mentors at Childcare Centre
4. Progress with supportive, friendly fellow students
5. Industry experienced, qualified teacher support
6. Consistent training methods ensuring high percentage of course completion rates
7. Industry ready and employable immediately after course completion

What are the advantages of distance learning?

1. Self paced individual study to accommodate your lifestyle
2. Can enrol at any time
3. Fast Track study option
4. Study by unit, pay by unit – not by term, semester or year
5. Resources sent online or by post
6. Discounts for purchasing entire course
7. Maintain current work responsibilities and income while studying
8. Industry experienced and qualified trainer support
9. Field (work place) mentoring and assessing

Where will my qualifications be recognised?

As a registered training organisation (RTO) qualifications issued by the Study Solutions Australia are recognised throughout Australia.

If I only complete some of the course, can I receive exemptions elsewhere?

The units of competency you have completed are recognised nationally and on completion do not have to be repeated. When continuing further studies at any TAFE or private RTO nationally, they will give you exemptions (mutual recognition) for units you have completed. This is recorded on your academic transcript.

What if I work in childcare or have studied before? Can I receive study credits?

Yes. Your history of study, skills and experience does matter. Consideration is given to your life and work experiences as well as formal and informal training. This may be applied using the national standard for Mutual Recognition (RCC) or through Recognition of Prior learning (RPL).

When can I start? /How do I apply?

Contact the Student Services Officer to arrange for an enrolment interview with a Children's Services teacher who will develop a study plan prior to enrolment. For classroom based learning there are monthly intakes. Please visit the college website at www.studysolutions.qld.edu.au to view the academic calendar to confirm enrolment dates.

Distance learning students can enrol now online and start at anytime of the year!

CHC30708 Certificate III in Children's Services

Description

As an entry level qualification for the Childcare industry, this qualification covers workers who use organisation policies, procedures and individual children's profiles to plan activities and provide care to children, facilitating their leisure and play and enabling them to achieve their developmental outcomes. Depending on the setting, workers may work under direct supervision or autonomously.

Duration and Study Modes

20 weeks Full Time - Classroom/ Field Placement

2 years Self Paced Distance Learning

1 Unit Distance Learning: 1 to 2 months per unit

Distance Learning Students have 2 years from your formal date of enrolment to complete all course units and submit them for grading. During this period students have the option of purchasing and completing the course in full or by individual course units. Students must meet the academic requirements of the course to maintain their enrolment status.

Career opportunities

- Child Care Assistant or Family Day Care Worker
- Nanny or Out of School Hours Care Assistant *
- Recreation Assistant * or Playgroup supervisor

* Depending on jurisdiction. Some jurisdictions require CHC40402 Certificate IV in Out of School Hours Care

Course Structure

All units delivered in the Certificate III in Children's Services are listed below and are delivered via face to face course delivery and in the field (work place). To suit individual student needs, the course is also delivered by distance learning (self paced training). Teacher presentations, videos, resource texts, group exercises and role play are included in the classroom environment while distance learning students receive their course resources directly. Assessments are completed using industry accredited exercise resources, observations in the field (place of employment) and group exercises. All students receive a vocational training field placement book to record their assessments in the field (child care centre).

Packaging Rules

15 units must be selected for this qualification including: 11 compulsory units and 4 elective units

Core Units:

1. CHCCHILD401A Identify and respond to children and young people at risk
2. CHCCN301A Ensure the health and safety of children
3. CHCCN302A Provide care for children
4. CHCCN303A Contribute to provision of nutritionally balanced food in a safe and hygienic manner
5. CHCCS400A Work within a relevant legal and ethical framework
6. CHCFC301A Support the development of children
7. CHCIC301D Interact effectively with children
8. CHCPR301A Provide experiences to support children's play and learning
9. CHCPR303D Develop understanding of children's interests and developmental needs
10. HLTFA301B Apply first aid
11. HLTTOHS300A Contribute to OHS processes

Elective Units:

1. HLTHIR403B Work effectively with culturally diverse clients and co-workers
2. CHCRF301D Work effectively with families to care for the child
3. CHCORG303A Participate effectively in the work environment
4. CHCCN305A Provide care for babies

Course Dates

Monthly start dates: [calendar](#)

Distance Learning – No set dates. Enrol online: www.studysolutions.qld.edu.au

Prerequisites

Students must demonstrate an interest in and suitability for work in the children's services field with the ability to be responsible for the care of children. Applicants must also possess the study skills to complete the formal study program, the physical, mental and emotional health to interact positively with children and parents.

Entry requirements

Satisfactory completion of an appropriate Year 10 or its equivalent or mature age. No previous knowledge is assumed for students of these units.

Course Timetable

Distance Learning - Online enrolment with flexible learning

CHC50908 Diploma of Children's Services (Early childhood education and care) CRICOS Course Code: 070634G

Description

This qualification covers workers in children's services who are responsible for planning, implementing and managing programs in early childhood services, in accordance with licensing, accreditation and duty of care requirements.

At this level:

- Workers have responsibility for supervision of other staff and volunteers
- In most states it is the highest qualification required at director or service manager level for children's service centre-based care.

It is noted that whilst this qualification equips workers to work with children from 0-5 years of age, some workplaces and jurisdictions require workers to have skills and knowledge to work with children in both early and middle childhood (i.e. aged 0-12 years).

Where workers are required to work across the span of development from 0-12 years, candidates should receive training and/or assessment across this broader span of development and in addition to the qualification, be awarded a Statement of Attainment for achievement of the Middle childhood development skill set.

Campus

16-18 Ghilgai Rd, Merrimac 4226, Qld

Duration and Study Modes

2 Years maximum Distance Learning

1 Unit Distance Learning 1 – 2 months per unit

Distance Learning Students have 2 years from your formal date of enrolment to complete all course units and submit them for grading. During this period students have the option of purchasing and completing the course in full or by individual course units. Students must meet the academic requirements of the course to maintain their enrolment status.
